Dedicated Java developer with strong communication skills and a keen interest in software development. Skilled in Java programming and REST APIs with excellent problem-solving abilities. Eager to leverage technical knowledge to contribute effectively in a Java developer role.

Experience

Java Developer Intern

Neural Bridge AI | Oct 2024 – Present

- Learning and developing applications using Java (Spring Boot) under mentorship. Gaining hands-on experience in backend development, API design, and best coding

Technical Skills

- Programming Languages: Java
- Frameworks: Spring Boot, Spring, Hibernate
- Web Technologies: HTML, CSS
- API Development: Designing and developing RESTful APIs using Spring Boot, implementing CRUD operations, and ensuring secure and efficient data communication
- Database Technologies: MySQL, H2
- Tools & Platforms: Git, GitHub
- Microservices Architecture: Designing and developing microservices with Spring Boot, integrating REST APIs for inter-service communication
- Unit Testing: JUnit, Mockito
- Cloud Services: Familiarity with AWS (beginner)

Proficient in Java and Spring Boot for developing scalable applications. Experienced in building RESTful APIs, working with databases like MySQL and H2, and using tools like Git and Docker. Skilled in front-end technologies including HTML, CSS.

Soft Skills

- Problem-Solving: Strong analytical skills to solve complex technical challenges.
- Communication: Clear and effective communication, both written and verbal.
- Team Collaboration: Ability to work effectively in team projects and cross-functional environments.
- Adaptability: Quick learner, adaptable to new technologies and programming languages.
- Time Management: Efficient in managing academic and project deadlines.

Education

Technocrats Institute of Technology, Bhopal

B-Tech with CSE AIML

I am pursuing a Bachelor of Technology (B.Tech) in Computer Science and Engineering (CSE) with a specialization in Artificial Intelligence and Machine Learning (AIML) from RGPV. This program equips me with advanced technical knowledge and practical skills in cutting-edge AI and machine learning technologies.

Felix Public Hr. Sec School

High School Certificate

I completed my Higher Secondary Certificate (HSC) from the Madhya Pradesh Board with a focus on Physics, Chemistry, Mathematics (PCM), and an additional subject, Biology, which provided me with a strong foundation in both mathematical and life sciences.

Secondary School Certificate

I completed my Secondary School Certificate (SSC) from the Madhya Pradesh Board of Secondary Education, building a strong foundation in academics and essential skills during this phase of my education.

Activities

Awards & Certificate

- **Edureka!** Data Science and Machine Learning Internship Certificate.
- Cyber Security Workshop Certificate from **Thetechunique Academy**.
- Certificate in "Connecting Hearts" All India Competition 2020 by SIO.
- Training' Certificate in 'Basic HTML/CSS for Beginners ' Certificate by **OpenWeaver**
- Google Analytics Academy Certificate: Introduction to Data Studio Completion
- School Leadership Awards Winner.
