Professional Summary

Detail-oriented Java Developer with hands-on experience in backend development using Java, Spring Boot, Microservices, REST APIs, MySQL, and JPA/Hibernate. I have a proven track record of designing and optimizing scalable APIs. Experienced in Agile/Scrum methodologies, I collaborate with cross-functional teams to deliver high-quality features on time. Passionate about leveraging efficient code to solve complex problems and contribute to high-impact projects.

Technical Skills

Languages: Java

Frameworks: Spring Boot, Spring MVC, Hibernate, JPA

Databases: MySQL, H2

Web Technologies: HTML, CSS

Tools: Git, GitHub

Architecture: REST APIs, Microservices

Testing: JUnit, Mockito

Experience

Java Developer - Neural Bridge AI Oct 2024 – Present | Bhopal, India -

Developed and optimized 5+ REST APIs, resulting in a 30% reduction in response time. - Implemented a microservices architecture to build scalable backend solutions. - Integrated JPA/Hibernate with MySQL to streamline data management and persistence. - Participated in Agile sprints, consistently delivering features on schedule. - Actively engaged in code reviews to enforce best practices and ensure the maintainability of code.

Projects

Duty Management Module – Spring Boot, MySQL – Developed and implemented a robust duty management system for schools, including additional duties (exams, elections, events, safety, administration), compensation tracking, and geolocation support with comprehensive CRUD APIs.

Employee Management System - Spring Boot, MySQL, SLF4J - Developed efficient APIs with robust filtering and image upload capabilities. - Improved query speed by 20% through performance optimization.

Email Sender Microservice - Spring Boot, JavaMail API - Automated scheduled email notifications for multiple recipients, enhancing communication efficiency.

Online Salon Booking System - Spring Boot, MySQL - Developed booking and user management APIs secured with JWT authentication.

Education

B.Tech in Computer Science & Engineering - IES University, Bhopal

Higher Secondary Certificate - Madhya Pradesh Board of Secondary Education

Secondary School Certificate - Madhya Pradesh Board of Secondary Education

Certifications

ChatGpt for Everyone – Learn Prompting

HTML/CSS Certification – OpenWeaver

Cyber Security workshop - Thetechuniqu Academy

Full Stack Web Development Internship Problem – Edureka!

Soft Skills

Problem Solving | Communication | Team Collaboration | Adaptability | Time Management
